

Vendors Drive In Time: 7:00 am - 10:00 am Wednesday, June 24, 2009 through west door.

Reserved Grooming will be allowed to drive into the building beginning at 8:00 am until 11:00 am.

As you are moving into the building, you will be directed to your reserved grooming areas. Please turn off your engines and unload as quickly as possible. There will be grounds people on the scene to direct the flow of traffic in and out of the building as well as in line along Reno. Please follow his or her direction in order to get everyone in and out quickly.

NOTE: We reserve the right to stop all vehicles from driving into the building if the traffic inside the building becomes dangerous or if these rules are not followed.

All vehicles must be removed from the building no later than 11:00 am.

If you are driving into the building, please have your proof of insurance available.

Exhibitors will be permitted into the open (non-reserved) grooming space at 11:30 am. **Exhibitors without reserved grooming space will not be permitted to drive into the building.** Vehicles will be directed to the loading ramps beginning at 11:30 am. The line will form from the loading dock doors along the north curb of westbound Reno. No vehicles will be allowed in the line from eastbound Reno.

The west bound lane of Reno nearest the building (far north lane) will be closed every morning at 8:30 am to facilitate drop off and move in. Once that lane has closed you may park and unload or load from the street.

We ask that you be patient and we will try to make every effort to get you in and out as quickly as possible. DO NOT leave your dogs outside unattended without proper ventilation.

All Grooming will be allowed to move out the west doors on Sunday ONLY!

UNLOADING/LOADING PROCEDURES

RESERVED GROOMING ONLY

** PLEASE READ **

Exhibitors who have reserved grooming spaces will be allowed to drive into the building at 8:00 am on Wednesday, June 24, 2009. Your vehicle must be out of the building by 11:00 am. If you are planning to drive into the building, you must form a line along the north curb of westbound Reno until directed into the Plaza by an Event Official. You will not be allowed to form the line before 8:00 am due to traffic consideration. This will be enforced by the Oklahoma City Police Department. Once inside the building, you will be directed to your grooming area. Please unload & remove your vehicle from the building as soon as possible. You will exit the building through the west exit onto Robinson. Event Officials may ask you to remove your vehicle from the building to allow more exhibitors into the building in the allotted time. When your vehicle is in the building, keys must remain in the vehicle & the flashers must remain on. By entering the building in a vehicle, you grant permission to an Event Official to move your vehicle should the need arise. The number of vehicles allowed inside the building at one time will be determined by Event Officials & you may be directed to wait in line until there is adequate room for you to safely operate a vehicle inside the building. Please follow all direction given to you by Event Officials during the loading/unloading procedures.

All vehicles must be removed by 11:00 am. The building will be opened 30 minutes after Best in Show Sunday, June 28, 2009 to allow vehicles to drive in & load equipment. The number of vehicles allowed in will be limited due to safety considerations. All vehicles must be removed from the building by 7:00 pm Sunday, June 28, 2009.

Anyone after drive in times will need to dolly in.

Please leave your key in your vehicle & emergency flashers on at all times while you are unloading or loading.

If you are driving into the building, please have your proof of insurance available.
